

About Dr. Harnam Singh Mid-term CME

Dr. Harnam Singh was a humble and impressive practicing senior Radiologist of Moradabad U.P.

“Dr. Harnam Singh CME” sessions were initiated at the 35th Annual Congress of IRIA at Cuttack in 1983.

Dr. Harshad Shah at Ahmedabad conducted the First Mid Term Dr. Harnam Singh CME session enthusiastically in July 1983. Dr Harnam Singh Mid term Teaching Sessions have become very popular since then. With the zeal, enthusiasm, coordination and financial support of Late Dr. Gopal Subramaniam, Prof Arcot Gajaraj was able to bring masters of Radiology from USA to visit India annually and participate in the CME sessions, in various cities of the Country.

About BRACE CME

BARNARD INSTITUTE OF RADIOLOGY ALUMNI ADVANCED CONTINUING EDUCATION(BRACE), the highly successful focused CME conducted annually by the BARNARD INSTITUTE OF RADIOLOGY was first started in 2007 under the then BIR Director Prof T.S. Swaminathan. The first CME focused on Women's Imaging. Since then CME has steadily carved a niche for itself.

Dear Colleagues,

Warm greetings from Chennai.

It is our greatest pleasure to invite you to Dr. Harnam Singh Mid Term CME – ICRI-2012 to be held on 14th & 15th July 2012 and BRACE CME on 13th July at IIT, Chennai.

The theme for this year-CME is Musculoskeletal Imaging which will focus on the current trends. The Musculoskeletal USG workshop will focus on the basic techniques and interpretation. The theme for BRACE 2012 is Gastrointestinal Imaging which will unravel the mysteries hidden in the Pandora's Box .

We have endeavored to make the scientific sessions predominantly interactive with audience response systems, which is a highlight of this CME while the technical exhibition will give you the tools of the trade to accomplish these goals. Besides these we have the Quizzes and educational Posters.

We look forward to your visit to Chennai for updating your knowledge and having gala time in the city of Chennai - The Gateway to South India.
